

# TechyTots

Dear Parents/Carers,

TechyTots – After School Club Fridays 3:15pm - 4:15pm

Years 1 and 2

We are delighted to be returning to Trafalgar Community Infant school in September!

TechyTots teaches children the early steps of coding through play. A unique class which mixes play with the use of technology and robots which your children will begin to program. With a different theme every week to keep children engaged.

TechyTots 12 sessions will run on Friday afternoons from Friday the 15th of September to Friday the 8th of December (excluding 20th of October and 27th of October). The cost for the term is £88, please note that there are limited spaces available, please book using the link below
