Internet  
Day 2026** | **Tuesday  
10 February**

Coordinated by the UK Safer Internet Centre

[saferinternetday.org.uk](https://saferinternetday.org.uk)

Safer Internet Day takes place every February to promote the safe, responsible and positive use of digital technology for children and young people.

Safer Internet Day 2026 will take place on Tuesday, 10<sup>th</sup> February with celebrations and learning based around the theme 'Smart tech, safe choices - Exploring the safe and responsible use of AI'.

Safer Internet Day is a chance to think about any worries we might have about using technology and the internet, but it's also about celebrating all the fantastic things technology can help us with. The children will be taking part in a range of activities and discussions throughout the week during their computing lessons and whole class snack times.

On Tuesday, Reception and Year 1 had a visit from a group of Tanbridge House School students. In Reception, the children listened to a story about Louie, who wanted to draw a giraffe. He didn't believe the pictures on the internet were correct so he asked his grown up for help. In Year 1, the children listened to a story about Smartie the Penguin and how he can stay safe online when using his own tablet. The children joined in with the class discussion on staying safe on the internet and when using technology, and they said the following:

"Tell a grown up."  
"Ask your grown up."  
"Tell a teacher."  
"Don't click on it."  
"It might not be true."

Thank you to the group of students at Tanbridge who spent a long time preparing their stories and for taking the time out of school to come and share them with us.

*Advance Notice of Dates for your Calendar...*

*Open Afternoon – Thursday, 19<sup>th</sup> March*

On Thursday, 19<sup>th</sup> March we will be having an Open Afternoon from 3.20-4.00pm. We hope you will take this opportunity to come into school and have a look around your child's classroom at all the interesting learning that has been taking place so far, during the Spring term. Please feel free to visit other classrooms too.

*Let's Get Creative – Thursday, 19<sup>th</sup> March*

If you are free on Thursday, 19<sup>th</sup> March in the morning and feel you could come into school to help with any of the exciting activities on offer, then we would greatly welcome parent/carer/grandparent/governor helpers to assist with these creative Easter themed activities. In previous terms, our art activities have included painting, weaving, baking, nature led art, printing with ink, collage, sock puppet making and following the work of some inspirational Artists. The purpose of our 'Let's get Creative' morning is to inspire all of our children to embrace their creativity and express themselves through art.

If you are able to come in and volunteer please contact the School Office at [office@trafalgarinfant.com](mailto:office@trafalgarinfant.com). We would love to see you in school however, I'm afraid we cannot guarantee that you will be working with your own child.

## Chinese New Year 2026

Chinese New Year begins on **Tuesday, 17<sup>th</sup> February 2026**. This is a festival that most children like to learn about because it is colourful and fun. **2026 is the year of the Horse.**

Here is some information that you may like to share with your child:

- The origin of the Chinese New Year is centuries old.
- It is recognised as the Spring Festival and celebrations last for 15 days.
- Like the Western calendar, the Chinese Lunar Calendar is a yearly one, with the start of the lunar year being based on the cycles of the moon. Because of this cycle of dating, the beginning of the year can fall anywhere between late January and the middle of February.
- The Chinese lunar calendar names each of the twelve years after an animal.
- Legend has it that the Lord Buddha summoned all the animals to come to him before he departed from earth. Only twelve came to say farewell and as a reward he named a year after each one in the order they arrived.

It will help us if your child knows which year he/she was born and what the animal sign is. All the twelve animals are identified below for your interest.

Year	Chinese New Year Day	Animal Sign
2015	19/02/2015	Goat
2016	08/02/2016	Monkey
2017	28/01/2017	Rooster
2018	16/02/2018	Dog
2019	05/02/2019	Pig
2020	25/01/2020	Rat
2021	12/02/2021	Ox
2022	01/02/2022	Tiger
2023	22/01/2023	Rabbit
2024	10/02/2024	Dragon
2025	29/01/2025	Snake
2026	17/02/2026	Horse

### Did you know....?

"Comprehension does not refer to reading itself but, rather, to the way in which we *make sense of* words, sentences and the wider language we hear or read."

### Challenge(s) of the week...

Share a book with your child that they have not read/heard before. Before you read it, what do they think it will be about from the front cover/title/blurb?

If it is a book with pictures, show them on picture, and make up a story that could go with the picture; then choose another and ask them to do the same.

If the book has no pictures, after reading the first chapter, ask your child if they could retell that chapter for a younger child by drawing pictures to tell the story.
