

Learning Council – 2016/2017

Our mission = To make learning even better here at Trafalgar.

Agenda and Minutes – 23.11.16

- **How can we share what we saw and heard during our research at Trafalgar with others?**

“We could do a newspaper.”

“We could go on TV, or go in a real newspaper.”

“We can write to people, and use the website.”

“The newsletter.”

“We could make posters using photos and words, and put them in each class, and in the office, and in the staffroom, so that staff and governors see them.”

“If we put it on our website then if someone is thinking about sending their child here they will know how we learn.”

“We could ask people to tell us more ideas about how we learn too.”

“We could do a treasure hunt, showing all the ways we learn, and leading to a prize.”

“By going to another school to see them.”

- **Next steps...**

“Design a school newsletter and posters, and put on our website, and around school, and send off to a real newspaper (investigate if we can be on TV/news!), but we need to check we are all allowed on TV!”

This led to a good discussion about safety, photos and names in the press.

- **Date and time of next LC meeting** –Friday 9th December 2016, 1.20pm in HT room
