

# Learning Council – 2022/2023

***Our mission = To make learning even better here at Trafalgar.***

## **Agenda and Minutes – 7.10.22**

- Welcome to the LC. Thank you again for applying to be on the LC, and for representing your friends to help to make learning better here at Trafalgar. Don't forget to try to wear your LC badges each day (handed out), so that your friends remember that you are on the LC.
- What is our mission?  
"To make the learning even better."  
"To make the learning more fun."  
"We learn when we are happy, if we are not happy, then we can't learn very well."  
We shared our application letters, and were all super-impressed with our enthusiasm and ideas already. What a brilliant group we are!
- How can we record what we discuss, ready to share with our class after each meeting?  
One child said "we can keep notes, like I am, in our notebook." We decided that this was a good idea. Miss Green to get more of these.
- We talked about how we can find out how children in other schools learn. We will go and visit another school, maybe after Christmas. We are all excited about this.
- We took a photo for our LC display in the school corridor, and for the website etc...
- *ACTION – Next meeting – do a learning walk in our school to see how we learn. Take photos and notes. Are we learning inside or outside? What are using to help us to learn? How are we learning, and is it working? Are our brains getting stronger?*
- **Date and time of next LC meeting** – Friday 21<sup>st</sup> October, 1.30pm in Library
