

Support Forum for schools supporting Ukrainian refugees in West Sussex

Date: Tuesday 23rd May

Time: 3pm - 4pm

Setting: MS Teams

Dear Colleagues

Jo Stogiewicz from EMTAS, invites SENDCOs, INCOS, teachers and teaching assistants of Ukrainian refugee students to join us for a drop-in session.

Our bilingual liaison officers will be able to answer any questions you might have about Ukrainian culture and education system and talk about how they have been supporting students in our schools.

We aim to discuss and celebrate successes as well as providing space to ask questions and to discuss and problem solve together around any issues or concerns you may have.

If there is anything that you would particularly like to ask or address in the meeting, please contact Jo Stogiewicz prior to the meeting.
