

Learning Council – 2022/2023

Our mission = To make learning even better here at Trafalgar.

Agenda and Minutes – 21.10.22

- Badges have been ordered for the new members – welcome!
- **When we do our learning walk here Trafalgar, we hope to see –**
Children putting up their hand, and not calling out.
Looking with our looking eyes.
Sometimes children might be asked to call out their ideas, so they need to do that, to share their learning.
Children are learning from others – children and adults. We must listen to each other.
Children offering to help others.

We hope we see lots of other ways too.

- *ACTION – Next meeting – do a learning walk in our school to see how we learn. Take photos and notes. Are we learning inside or outside? What are using to help us to learn? How are we learning, and is it working? Are our brains getting stronger?*
- **Date and time of next LC meeting** – Friday 11th November, 1.30pm in Library
