

# Learning Council – 2016/2017

***Our mission = To make learning even better here at Trafalgar.***

## **Agenda and Minutes – 13.12.16**

- Let's look again at the learning sails on our Core Values ship. *Is it still accurate? Do we need to include anything else?*
- Following on from your suggestions in our last meeting...  
**How can we share what we saw and heard during our research at Trafalgar with others?**

*"We could do a newspaper."*

*"Design a school newsletter and posters, and put on our website, and around school, and send off to a real newspaper (investigate if we can be on TV/news!), but we need to check we are all allowed on TV!"*

This led to a good discussion about safety, photos and names in the press.

- Today we are starting to produce our own newsletter (to share our findings so far). <https://www.fodev.com/generators/newspaper/snippet.asp>

*What information is important to share about our research? Who will read our newspaper/who will the audience be? How can we grab their attention? What are the features of a newspaper? What do we need to remember when we are writing in sentences? Why?*

- What shall we do in our new 'Learning to Learn' week after Christmas? What do we want our friends to learn?  
*"Walking inside so we are safe."*  
*"How to listen so we learn."*  
*"How to look so that we can learn too."*

- **Next steps...** Share our newspaper with our school community.
- **Date and time of next LC meeting** – Thursday 12<sup>th</sup> January 2017, 2.40pm in HT room
