

Friends of Trafalgar School

The 'Friends of Trafalgar School' (FTS) is made up of a group of parents who volunteer their time to organise and run fundraising events throughout the school year.

The monies raised help support the school and pay for the 'extras', ensuring that the present – and future – children get the best possible start in their education. We work closely with school staff to ensure we are putting the monies raised into projects that benefit all of the children.

However, nothing would happen without the support of you wonderful parents and caregivers, either through donations, volunteering to help run events or simply turning up on the day. We are lucky to have the support of such a fantastic community.

From the funds raised during the 23-24 school year, the FTS has made a £14,000 contribution towards the school sensory room, which is due for completion in February.

Some of the other items that the FTS has funded in the last 12 months includes; new books for the school library, the Christmas Pantomime, an African Drumming workshop, visit from Father Christmas, and classroom refurbs.
